DISCOVER A VILLAGE FOR LIFE

St Edward is delighted to introduce Lakeside, the first phase at Hartland Village. Set between the feature lake at the southern entrance and Linear Park, Lakeside features a wide range of houses and apartments set in a glorious natural environment.

St Edward is a leading property developer with a number of exceptional developments in London and the south of England. As part of the Berkeley Group, we are renowned for the high quality of our developments and our commitment to excellent customer service.

Buy a new home from us with complete confidence.

Exceptional Customer Service

As a first-class business we place the highest priority on customer service and will help and support you throughout the buying process and beyond. Our levels of customer service exceeds that of other premium brands, recently receiving a Gold Award by Investor in Customers.

Placemaking

We are dedicated to building exceptional places for people to live and to creating a strong community where people enjoy a fantastic quality of life. Set in 28 acres of green space, and adjacent to a new 70-acre country park, Hartland Village offers a lifestyle rarely found elsewhere.

Award-winning

With a well deserved reputation, the Berkeley Group has won a number of prestigious awards including the UK's highest accolade for business success – The Queen's Award for Enterprise for Sustainable Development – and the WhatHouse? Award for Housebuilder of the Year 2017.

Sustainability

Our homes are designed for the future, and include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods to create a more sustainable, eco-friendly way of life for you and the environment.

High Specification

Individually designed kitchens with Bosch appliances, and a carefully selected range of choices and finishes allows you to personalise your home. Quality comes as standard in all our homes.

Attention to Detail

With 40 years of experience, our expertise shines through in everything we do. From individually designing every home, to handpicking the very best in kitchen and bathroom specification, our attention to detail is where we make a difference.

10-Year Premier Warranty

For your peace of mind, our homes benefit from a 10-Year Premier Guarantee. This is complemented by a warranty from Berkeley for the first two years and a dedicated Customer Service Team on hand.

a village for life

BE INSPIRED
by our vision

St Edward's vision is for Hartland Village to be a highly sustainable village, defined by traditional values and its woodland setting, yet firmly connected to modern life.

The Village Centre will be the hub of Hartland Village and the focal point of local life. As the village evolves, it will provide all the amenities and features that animate a development and turn it into a community. Regular events and seasonal activities will take place throughout the year, bringing neighbours together and forging community links and genuine friendships.

The 28 acres of open space include the village green, play areas, and Linear Park, perfect for relaxing, socialising or working out on.

Lakeside

Make your way over the traditional humpback bridge and Lakeside opens up before you: a beautiful collection of houses and apartments, arranged along leafy boulevards and quiet streets.

DESIGNED *for life*

Buying a home is one of the most important decisions you will ever make. The qualities that make St Edward different mean that you can choose a new home from us with complete confidence. When you buy a home from St Edward you can be safe in the knowledge that it is built to very high standards of design and quality, has low environmental impact and that you will enjoy an exceptional customer experience.

AWARD WINNING AND ROYALLY RECOGNISED

In addition to receiving numerous awards for quality, design and customer service, the Berkeley Group was granted the 2014 Queen's Award for Enterprise in Sustainable Development and in 2011 we won Britain's Most Admired Company award. These awards recognise and reward outstanding achievements in business performance.

CUSTOMER SERVICE IS OUR PRIORITY

We place the highest priority on customer service and will manage the whole process for you. Our Customer Care Teams will contact you shortly after you complete on your purchase, to ensure that everything in your new home is absolutely to your liking. Our homes also benefit from a ten year warranty, the first two years of which are covered by St Edward.

GREEN LIVING AND SUSTAINABLE DEVELOPMENT IS TOP OF OUR AGENDA

As a company, we are committed to reducing energy, water and waste on our construction sites, in our offices and in the homes that we build. Almost all of our developments are built on brownfield land and we always take care to protect and enhance biodiversity and natural habitats. Our homes include features to encourage sustainable living such as dual-flush WCs, recycling bins and energy efficient white goods.

QUALITY IS AT THE HEART OF EVERYTHING WE DO

At St Edward, quality takes precedence, from choosing the right location and style of home, to the construction processes we practice, the materials we use and the specifications we put into our homes. For extra peace of mind, in addition to the ten year warranty all new homes receive, St Edward operates a two year policy with dedicated Customer Service Teams on hand 24 hours a day to deal with enquiries quickly and effectively.

UNPARALLELED CHOICE OF HOMES IN THE MOST SOUGHT AFTER LOCATIONS

As one of the UK's leading house builders, we are able to offer our customers an unrivalled choice of property location, size and type. From city penthouses to country retreats, modern studio apartments to traditional family homes, you will find the perfect home to match your requirements. Our homes are also built in some of Britain's most desirable locations from market towns and rural villages to major towns and cities, and countryside to the coast - we build in the locations where you want to live.

A COMMITMENT TO CREATING SUSTAINABLE COMMUNITIES

St Edward's homes and developments are not just built for today. They are designed to enhance the neighbourhoods in which they are located permanently. We achieve this through our commitment to excellence in design, sensitive landscaping, sympathetic restoration, and impeccable standards of sustainability. We aim to address the needs not only of our customers but their neighbours and the broader community of which they are a part. It is a long-term view: we want to create exceptional places for people to live, work and relax in, and build communities that will thrive today and for years to come.

Over the years, the Berkeley Group has won many prestigious awards for the quality, design and sustainability of its developments.

Our Vision is Berkeley's strategic plan for the business, designed to raise standards higher still. Our goal is to be a world-class business, defined by the quality of the places we create, generating long-term value and having a positive impact on society.

We take our responsibilities towards our customers, the environment, our workforce and the communities in which we work very seriously.

Our plan for the business has five areas of strategic focus: **Customers, Homes, Places, Operations and Our People.**

OUR VISION

To be a world-class business, defined by the quality of the places we create, generating long-term value and having a positive impact on society.

FIVE FOCUS AREAS

AN EXCEPTIONAL CUSTOMER EXPERIENCE

We put customers at the heart of our decisions. Dedicated sales teams will provide exceptional service throughout the buying process, and teams will manage the customer relationship from exchange of contracts through to completion, delivery of the new home and after occupancy.

HIGH QUALITY HOMES

We aim to build high quality, well-designed homes with low environmental impact, where customers have the opportunity to achieve healthy, comfortable and sustainable lifestyles, now and in the future. Attention to detail in design is paramount to ensure our homes meet the needs of our customers.

GREAT PLACES

We seek to create strong communities where people choose to live, work and spend their time and which directly encourage people's wellbeing and quality of life. These are places characterised by the quality of their design, external spaces, transport and access to jobs and amenities.

EFFICIENT AND CONSIDERATE OPERATIONS

We reduce the impact of the construction process on the local community by registering all of our sites with the Considerate Constructors Scheme. We set targets to reduce water, energy and waste. We work with our supply chain to ensure high quality services and materials are consistently provided.

A COMMITMENT TO PEOPLE

The safety, health, wellbeing and development of our people is a high priority. We aim to have a positive impact on society through our support of the Berkeley Foundation.

Some features are only applicable to specific developments. Please ask sales negotiator for further information.

We set up the Berkeley Foundation in 2011. It supports voluntary sector organisations to improve people's lives in the communities where we work, and last year worked with 49 different organisations and their beneficiaries.

Our staff have been instrumental in making the Foundation grow, with over 60% getting involved last year and raising over £935,000. They also give their time and skills, for example by mentoring young people to help them become more confident and job ready.

Since its launch, the Foundation has committed over £14.9 million to more than 100 charities and worthy causes. Berkeley Group covers all overhead costs, so all money raised goes directly to charitable causes.

Accordingly, due to St Edward's policy of continuous improvement, the finished product may vary from the information provided. These particulars should not be relied upon as statements of fact or representations and applicants must satisfy themselves by inspection or otherwise as to their correctness. This information does not constitute a contract or warranty. Hartland Village, Cedar Lodge, Redwood House, Copper Beech House, Hartland Manor and Coach House, are marketing names and will not necessarily form part of the approved postal address. Applicants are advised to contact St Edward to ascertain the availability of any particular property. The dimensions given on plans are subject to minor variations and are not intended to be used for carpet sizes, appliance sizes or items of furniture. Area measurements in this document are given as Gross Internal Area (GIA). Measurements include areas occupied by upstands, plinths, protrusions, ceiling bulkheads, glazing mullions for full-height glazing, (measured to the internal face of the glazing, not mullion), skirtings, plaster and other in situ wall finishes, cornices and the like. Where a wall is made up of both full-height glazing and other external walling structure, dimensions are taken to the surface of both structures.
